OSWALD TRIAL: The "trial" of Lee Harvey Oswald, accused of assassinating President John F. Kennedy, begins today at the American Bar Association's annual meeting and Court TV will cover it live. "This is not a drama, although it may be dramatic," says Court TV's Merrill Brown. Five years ago, Showtime did a similar show, with superlawyers Vince Bugliosi and Gerry Spence. This spring, Bill Kurtis' *Investigative Reports* on A&E repackaged an Oswald trial. Coverage beings at noon ET/9 a.m. PT.
